VEHICLE DESCRIPTION

This 2022 Western Star 4700 day cab is clean, fully serviced, and DOT certified—ready to go to work today. Powered by a 470 HP Detroit DD13 engine paired with a 10-speed Eaton transmission, this truck delivers the raw performance and durability that Western Star is known for. With 266,880 miles from a single owner, this unit has been well cared for and shows it. Equipped with 40K rear axles on air ride suspension, dual 80-gallon fuel tanks, and 11R24.5 tires on all aluminum wheels, this 4700 is spec'd for serious work. The 3.90 rear axle ratio pairs well with the DD13's torque for vocational and heavy regional applications, and PTO compatibility opens the door for a wide range of work truck configurations. Highlights □ 470 HP Detroit DD13 power □ 10-speed Eaton transmission □ Single owner □ 40K rear axles □ Air ride suspension □ 3.90 rear axle ratio □ Dual 80-gallon fuel tanks □ All aluminum wheels □ 11R24.5 tires □ PTO compatible □ 266,880 miles □ Proven Western Star durability

****SelecTrucks Extended Warranty Available!** At SelecTrucks of Alabama, our on-site finance specialist works directly with buyers to simplify approvals and help get this truck on the job faster (with approved credit). SelecTrucks Extended Warranty options are available for added peace of mind. Special financing programs available through Daimler Truck Financial (with approved credit). A single-owner Western Star 4700 with a strong vocational spec and low miles for the application — ready to earn from day one. 470 HP, PTO compatible, dual tanks, and extended warranty available — this one is built to work.
