VEHICLE DESCRIPTION

This truck comes backed by 90-Day Buyers Assurance, a 1-Year SelecTrucks Base Warranty, AND \$5,000 Your Way — real protection and real value, ready to go to work. Under the hood you'll find a Detroit DD15 pushing 505 horsepower, paired to a Detroit DT12 automated transmission. This combo delivers the efficiency and reliability that keeps fleets — and owner-operators — running strong mile after mile. At 362,295 miles and coming out of a fleet environment, this Cascadia has been maintained on a schedule, not a prayer. The 3.23 rear ratio keeps it turning efficiently on the highway, dual fuel tanks giving you 130 gallons of range means fewer stops and more miles between fills. Rolling on virgin Bridgestone drive tires on aluminum wheels, this truck is ready to hit the road without hitting the tire shop first.
