### VEHICLE DESCRIPTION

JUST IN! 2025 Western Star 49X Tri-Axle Dump — 505HP, Allison Auto, 48K Miles Low hours and loaded with options — this 2025 Western Star 49X Tri-Axle Dump is ready to go to work from day one. Under the hood sits a Detroit DD13 rated at 505 horsepower, paired with an Allison Automatic transmission for smooth, effortless shifting through the toughest job sites. Whether you're hauling heavy aggregate or navigating tight construction sites, this drivetrain combination delivers the power and reliability serious operators demand. At just 48,077 miles, this 49X is barely broken in. The axle configuration is built for maximum payload capacity — 20,000 lb. front axle, 46,000 lb. rear tandem, and a 20,000 lb. Hendrickson pusher axle — giving you the legal weight flexibility to run loaded and profitable. Step inside and you'll find premium Laredo leather seats and chrome trim throughout, because a truck this capable deserves a cab to match. Highlights: 2025 Western Star 49X Tri-Axle Dump Detroit DD13 — 505HP Allison Automatic Transmission 48,077 Miles 20K Front / 46K Rear / 20K Hendrickson Pusher Axle Laredo Leather Seats Chrome Throughout Remaining Factory Warranty! Financing available for qualified buyers — call today. This unit carries remaining factory warranty, keeping your investment protected and your wheels turning. Price does not include \$200 doc fee, sales tax or applicable title fees. A rare find and at 48K miles with remaining factory warranty, this one won't sit long — call today before it's gone.
