Built for the job: 2026 Western Star 49X Dump Truck This new red Class 8 dump truck is engineered for heavy-duty performance. It is powered by a Cummins X15 engine delivering 525 HP, paired with an Allison RDS 6-speed automatic transmission. The chassis features a 228-inch wheelbase, spring suspension, and a tri-rear axle configuration. Weight ratings include a 20,000 lb front axle and a 46,000 lb rear axle. The vehicle is equipped with a steel body manufactured by Ox Bodies and includes a tarp system. Additional exterior features include aluminum wheels and left-hand drive. With only 621 miles on the odometer, this truck is ready to be put to work in your operation.
